PROFESSIONAL SUMMARY

Community organizer and public health program manager with over eight years of experience in public health advocacy, nonprofit management, and workforce development. I bring to the office excellent management and administration of its compliance, program, and technical operations.

TECHNICAL SKILLS

Digital Facilitation: Zoom Meeting and Webinar, Microsoft Teams, Canva, Adobe Creative Cloud
Data Analysis: R, Atlas.ti, Microsoft Excel and VBA Macros (pivot tables, t-testing, etc.)
Administrative Management: Percipio Employee Learning Management System (LMS)

PROFESSIONAL EXPERIENCE

Prevention, Education, and Outreach (PEO) Coordinator

University of Colorado | September 2024 - Present | Full-Time 40 hr/week

- Design and deliver virtual training and seminars on Title VII, Title IX, and ADA compliance for faculty, students, and employees for an R1 research institution of over twenty two thousand community members.
- Coordinate statewide conferences to share best practices and strategies on Title IX Compliance.
- Serve as a resource for campus leadership and medical providers, translating complex policy into accessible educational content for diverse audiences.
- Utilize Tableau and SQL queries to develop Title VII compliance reports from quantitative employee data.
- Conduct employee onboarding and compliance trainings of over 150+ attendees.

Political Outreach Consultant

Valley Forward | July 2024 - September 2024 | Part-Time 24 hr/week

- Informed and engaged community members on local politics, conducted candidate perception surveys.
- Organized routes for maximum outreach effectiveness using the PDI data.
- Collaborated with the campaign team to implement targeted strategies, resulting in increased voter awareness and support.

Senior Program Coordinator

Youth Leadership Institute | October 2023 - May 2024 | Full-Time 40 hr/week

- Co-facilitated three youth participatory action research electives, engaging 60-70 students per class in critical thinking and leadership development.
- Acted as Project Director for the California Department of Public Health funded program 'Mobilizing Youth to Nix Tobacco' (MYNT), managing end-to-end grant evaluation and reporting.
- Develop position papers, talking points, presentations, consultation responses, for engagement regarding tobacco prevention in the State of California.
- Successfully secured a $750,000 Sierra San Joaquin Jobs (S2J2) grant through strategic writing and coalition building with local stakeholders.
- Engage with development, communications, and executive team on advancing policy goals in Fresno County and the Central Valley region.
- Led one Senior Program Coordinator to implement tobacco education initiatives across Fresno and Madera County, fostering collaboration between youth and community leaders.

Community Health Worker

Centro La Familia Advocacy Services | March 2023 - October 2023 | Full-Time 36.5 hr/week

- Supported a client roster of 15-25 individuals, navigating public benefits, substance use prevention, and housing programs to ensure access for vulnerable populations.
- Developed monthly reports including case summaries and care plans, utilizing data to track progress and advocate for resource allocation.

Health Education Specialist

Merced County Department of Public Health | January 2022 - February 2023 | Full-Time 40 hr/week

- Organized and coordinated public health education activities for the Local Oral Health Program (LOHP), maintaining a coalition between the Health Department and Advisory Committee.
- Recruited 10-15 stakeholders for oral health presentations, leveraging community networks to drive engagement.
- Utilize Microsoft Excel, VLOOKUP, and INDEX functions to create visualizations for open-source Medicaid funding utilization in Merced County.

Communicable Disease Investigator

Fresno County Department of Public Health | October 2020 - December 2021 | Full-Time 40 hr/week

- Conducted screening interviews among liaisons to ascertain personal history and infection sources, maintaining a caseload of 25-60 school districts.
- Provided isolation and quarantine guidance for school-based faculty and health professionals during the COVID-19 pandemic.

Program Coordinator

Fresno Barrios Unidos | August 2017 - October 2020 | Full-Time 40 hr/week

- Coordinated youth development and gang violence prevention programs (Men with Heart & Joven Noble), recruiting over 20 youth per cohort.
- Served as a liaison with City of Fresno councilmembers and Parks and Recreation staff to advocate for additional funding ($500k+) for wireless networks and bus rapid transit.
- Utilize Apricot CRM system to track funding streams, donors, and service delivery for youth clients.

EDUCATION

Master of Public Health - Health Promotion & Health Education

California State University San Marcos

Bachelor of Science - Health Science (Community Health Option)

California State University Fresno

Certified Health Education Specialist | NCHEC

National Commission for Health Education Credentialing
